

We are very pleased to announce the WVFC Capital Cup at Shawnee Sports Complex in Dunbar, West Virginia. This tournament will take place on April 6th and 7th, 2019. West Virginia Futbol Club (WVFC) is a community based organization, and the largest soccer organization in the state of West Virginia. WVFC will be using the tournament organizing and planning experience of Quantum Sports to ensure this tournament is a positive experience for everyone involved.

Shawnee Sports Complex and WV Soccer Association are hosts of the 2019 and 2020 East Region Presidents Cup and the 2019 East Region National Champion Series tournament. It is the premier, state of the art, turf complex in West Virginia. Worried about weather in early April? No problem, all games will be played on turf fields.

Randall Coleman, President of WVFC is honored to be able to host this inaugural Capital Cup at Shawnee Sports Complex. Coleman stated "It is an important event that will allow us to showcase our beautiful State at one of the premier soccer complexes in the region. WVFC, through its relationship with West Virginia Soccer Association, has extensive experience hosting USYS East Region Presidents Cup, East Region Championships, Target Cup, and WVSA Open Cup. We look forward to putting forth our past experiences to start what we hope will be a regional destination event".

Registration deadline is March 6th. Check-in deadline online is March 29th.
