Teddies – 18 to 26 months. This parent participation class uses a variety of props, songs, and games to engage toddlers in participation activities. Simple motor skills are stressed.

Teddies II – 24 to 36 months. More advanced motor skills are stressed. Similar to a Koalas class with parent participation.

Koalas – 3 year old beginners. A variety of fun games to develop balance, movement, and motor skills as well as listening to instructions. Very active and fun.

Cubs – 3 1/2 & 4 year olds. Development of kicking, running control, and dribbling as well as listening and following instructions. The class uses a variety of fun games with lots of physical activity.

Cubs II – 4 year olds. The progression class for Cubs. More challenging skills and new concepts are introduced. The emphasis is on individual motor skill development and fitness.

Bears – 5 & 6 year olds. This class develops kicking, balance, dribbling, foot-eye coordination and running control by playing fun games. Some 4 on 4 scrimmaging is mixed.

Grizzlies – 5 & 6 year olds (adv). The progression class for Bears. More challenging skill development games are played. Some 4 on 4 scrimmaging is mixed.

Polar Bears – 6 & 7 year olds (adv). This is the progression class for Grizzlies. Advanced skills are developed using fun games. Skill building and fitness prepares them for the next level of sports.

***Set up your own class on an open slot or an Outside location/Minimum 3 in a class to start**
All programs must have a minimum of 4 players to continue, if criteria is not met all efforts will be made to place the players in active classes*
